**BIPARTISAN ROCKPAC-SUPPORTED CANDIDATE ELECTION SCORECARD**

There are 234 candidates that ROCKPAC donated to during the 2008 election cycle who are on the ballot Nov. 4, up three percent from 2006. Among these candidates, 143 are Republicans and 91 are Democrats for a 61 to 39 percentage split. (In 2006, ROCKPAC donated to 151 Republicans and 77 Democrats for a 66 to 34 ratio.) This bipartisan contribution strategy characterizes ROCKPAC as one of the most bipartisan of the national industry trade association PACs. ROCKPAC Trustees decide whom to support based on the candidates' positions on issues important to the aggregates industry and recommendations made by ROCKPAC supporters as well as state association executives.

Each of these candidates is listed below on a scorecard organized by state and congressional district designed so that you can easily keep track of the races that have candidates to whom ROCKPAC contributed as the results come in.
