ROCKPAC HOLDS THE LINE IN 2009!

COMPLETE LIST OF ROCKPAC 2009 DOOR PRIZE WINNERS!

When the last ticket stub was placed in the drum for the door prize drawings at the 2009 ROCKPAC event held on Mar. 11 during NSSGA's annual convention in Orlando, Fla., ROCKPAC had sold 1,451 tickets and raised \$367,600 from 354 contributors, enough to place it in the top three ROCKPAC events of all-time! This is a testament to the strong commitment of the aggregates industry to ROCKPAC even during some of the toughest economic times we have seen in over a generation.

We would like to extend a special thanks to our Titanium (\$10,000) level donors this year -- Mr. and Mrs. Paul I. Detwiler, III of New Enterprise Stone & Lime Co, Inc.; Mr. and Mrs. Paul C. Mellott, Jr. of Mellott Company; Mr. and Mrs. Jim Stephenson of Yancey Bros. Co.; and Mr. and Mrs. Stephen P. Zelnak, Jr. of Martin Marietta Materials. There were a total of 18 Platinum donors (\$5,000), 29 Gold donors (\$2,500 - \$4,999), 60 Silver donors (\$1,000 - \$2,499), 147 Bronze donors (\$500 - \$999) and 97 donors of \$300 or less.

This year's themed event, "ROCKPAC Salutes The Movies" featured music and posters from classic films as well as a stage framed by two 8-foot tall Oscar statues and the customary red carpet that ROCKPAC winners walked to receive their prizes before a crowd of approximately 500 attendees. ROCKPAC Chairman Paul C. Mellott, Jr. of Mellott Company was unable to be present due to a recent surgery, but his presence was felt as he welcomed the crowd from the two screens flanking the stage as "The Wizard of ROCK." ROCKPAC Trustees Kim W. Snyder of Eastern Industries, Inc. and Rich Blake of Mellott Company emceed the evening as wives of NSSGA officers past and present drew winners of the 36 door prizes that had been donated to the event by NSSGA member companies.

Prior to the drawing for the Grand Prize, ROCKPAC Vice Chairman John Steele of Hilltop Basic Resources presented the 2009 ROCKPAC Industry Leader awards to the companies that raised the most money from their employees for ROCKPAC. Those honored included Martin Marietta Materials, Rogers Group, Inc., and Mellott Company.

Tensions mounted as the 10 finalists for the 2009 Mercedes C-300 were selected. In what can only be described as a coincidence of astronomical odds, the two final tickets left to be drawn belonged to the same person, Steve Zelnak of Martin Marietta Materials.

A complete list of sponsors, prizes and winners follows. NSSGA again thanks everyone who participated in the event from the contributors to the prize sponsors and we look forward to seeing you in Cincinnati in 2010!
