2012 AGGREGATE PRODUCER MEMBERSHIP APPLICATION

Frequently Asked Questions

Q: What should be included in my sales number?

A: According to the NSSGA by-laws – Article V, Item 2: For the purposes of dues calculations, the entirety of a company's aggregate operations shall be considered. – all of a producer's aggregate internal and external sales should be included in the number. Dues are based on that all-inclusive number.

Q: How do I know what my dues will be?

A: First, we'll bill you based on the Board of Directors approved formula. But if you'd like to know before that, the dues schedule on the front will allow you to calculate your dues based on your 2011 sales.

Q: Can I pay my 2012 dues with a credit card?

A: Yes. You will be able to pay membership dues by credit card. You may elect to charge your dues either on an annual basis or in quarterly or semi-annual installments. Simply fill out the credit card information on the renewal form and fax it back to us or contact our NSSGA Director of Finance, Cesar Silva directly at 703-526-1098 or 1-800-342-1415 ext: 1098.

Q: Is the information confidential?

A: All of the information is handled with the utmost attention to security and confidentiality in receiving and storing the data. The information is not accessible to other members, and is never shared with any other entity. We recognize how important this information is to you and we respond accordingly.

Q: Why is there a March 31st deadline, and what happens if I can't process a payment before that?

A: You only have to complete the form on the reverse of this sheet and fax or mail it back to us with your sales information to join. Your response will act as your commitment for your 2012 membership. If you don't pay your dues by March 31 you'll be billed for all activities and services at non-member rates, including the annual convention in March. You can rejoin at any time after that, but your member benefits renew only when you have renewed your membership.

Q: Will I be getting more information?

A: Yes. Upon your renewal we will be sending out 2012 membership information that will tell you more about the opportunities you and your company have with NSSGA. We'll also be mailing a new Membership Directory & Buyers' Guide.
