Hyundai Construction Equipment Adds Correlli Inc. to Growing North American Distribution Network

NORCROSS, Ga. (April 2019) – [Hyundai Construction Equipment Americas](#) announces the expansion of its North American authorized dealer network with the addition of [Correlli Inc.](#) Correlli Incorporated is an equipment all-in-one service provider. President Patrick Correlli and his sons started Correlli Inc. on June 1, 1999 as an independent repair shop. The business supports repairs on all makes and models of construction equipment and will be a valued addition to our Northeast territory.

With the addition of this new dealership, Hyundai's North American network now includes over 70 dealerships operating in just over 150 locations, offering sales, service, and parts for the full line of Hyundai excavators, wheel loaders, compaction rollers and other construction equipment.

"The Correlli's are and have always been a customer support driven company and customer satisfaction is #1 with them. They have 5 service trucks on the road, 10 technician's and 4 on the road salespeople to support the customer's needs. They will be a great addition to the Hyundai family of dealers in the Baltimore Maryland area," said Bill Klein, HCEA District Manager-Northeast.

Hyundai sales, service and parts teams deliver regular product and service training to ensure dealer partners are able to provide top-caliber support to meet the growing business needs of Hyundai Construction Equipment customers.
