

# NSSGA: THE VALUE OF MEMBERSHIP MANUFACTURERS & SERVICES DIVISION

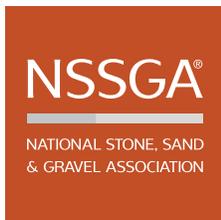

## *Supporting the companies who help keep our industry running*

**The National Stone, Sand & Gravel Association (NSSGA)** is the federal leader in advocating for priorities in the aggregates industry. The **Manufacturers & Services (M&S)** division represents companies that provide a product or service to the aggregates & industrial sand producer community. NSSGA offers a variety of M&S member benefits, including:

- AGG1 Academy & Expo and CONEXPO-CON/AGG exhibiting priority points
- Exhibit booth discounts at AGG1 Academy & Expo and CONEXPO-CON/AGG
- Exclusive access to NSSGA producer members through NSSGA's Membership Directory & Buyers Guide, as well as networking opportunities at NSSGA events,
- Member-exclusive discounted advertising opportunities in NSSGA publications
- Access and discounts to workshops, seminars and NSSGA events

*"I love to look at the new stuff, smell the fresh paint, see all the latest and greatest technology and get a chance to talk to the manufacturers."*
